Continuing Acupuncture Education Reporting Form

Documentation of a minimum of 150 hours of continuing education in acupuncture related areas is required for re-certification. Provide a list of acupuncture related education meetings or courses completed in the ten year period ending June 30, 2011. For each course provide (A) course title, (B) dates of course, (C) name of sponsoring organization and (D) number of hours of completed instruction for which documented attendance is available. Use additional sheets as necessary. CME credits are not required but some independent verification of hours and attendance is required. ATTACH COPIES OF COURSE CERTIFICATES for each course listed except for those courses that were offered by the AAMA.

Attach copies of course certificates for each course listed (except those offered by AAMA).
